

## DERTOUR Rail Ticket

### for return trip within Germany in combination with a hotel arrangement

A DERTOUR rail ticket from any German DB railway station can be booked at a discount in combination with a hotel booking via TRADEFAIRS.com if the room is booked up to 15 work days before the departure date. In conjunction with this room booking, a so-called DERTOUR rail ticket from Deutsche Bahn AG can be used for travelling to and from the accommodation destination. Please specify your departure railway station for this purpose.

The DERTOUR rail ticket is valid for the German railway network of Deutsche Bahn AG. The price of the RIT ticket for domestic routes is divided into various rate zones depending on the distance in kilometres. The price does not include a seat reservation. Please make a reservation for your seat before departure directly at the railway station, at a travel agency or via the Deutsche Bahn website. You are also welcome to send your reservation request to us by e-mail to [service@tradefairs.com](mailto:service@tradefairs.com).

The following price schedule shows the return trip rail prices for domestic routes according to rate zones. The distance information refers to rail kilometres within Germany, one way:

Distance	without a BahnCard		with a BahnCard	
	1 <sup>st</sup> Class	2 <sup>nd</sup> Class	1 <sup>st</sup> Class	2 <sup>nd</sup> Class
up to 400 km	101,00 EUR	63,00 EUR	81,00 EUR	43,00 EUR
401 to 600 km	168,00 EUR	99,00 EUR	148,00 EUR	86,00 EUR
as of 601 km	205,00 EUR	126,00 EUR	185,00 EUR	109,00 EUR

The prices above are for a return trip for one traveller in the selected class via the shortest, direct route including all surcharges. There is no binding commitment for a specific train. The price does not include a seat reservation. Please note that there is a reservation obligation for certain routes/trains (e.g. ICE Sprinter).

The DERTOUR rail ticket entitles you to travel by rail on all trains including the ICE without a binding commitment for a specific train. This ticket does not entitle you to use the services of private railway companies. Different prices may apply for trains with a global pricing system and a reservation obligation (e.g. City NightLine, ICE Sprinter, Thalys etc.).

The tickets are valid for 2 days for each travelling direction respectively. The journey can be interrupted en route as long as the destination is reached within 2 days and the route that is taken is not a detour.

With DERTOUR rail tickets a minimum stay of one day between the outward and the return journey is required. The maximum stay in combination with a valid DERTOUR rail ticket is 1 month.

The following cancellation fees apply for DERTOUR rail tickets:
